PM PPCD 10:40-12:40pm

## Daily Schedule

Circle time

Motor Lab

Centers; Art, Literacy, Math, computer, work jobs, and fine motor

Snack

Potty/books

Centers; Art, Literacy, Math, computer, work jobs, and fine motor

Circle time

Dismissal

## Discipline

### Watch Our Kindness Tree Grow

Children in Pre-K are just learning how to be members of a school community. Our focus is on teaching them how to treat themselves, the school, and others with kindness. Our students will be "caught being kind" and taught how to solve problems. We will also teach them techniques to reduce stress, recognize, and handle other emotions.

Students who go above and beyond to be kind will add a heart to our Kindness Tree in the main hall. Please come see our tree grow this year!
